Subject: Data Request

Hi Mike,

The Data Team has been tasked to provide a report which will provide to management a detailed

description of all Superfund data. I show you have the following site that does not have data in Scribe:

Columbia Falls Aluminum Company

Will you please provide the following information on this site by COB Friday 2/24?

- What data exists?
- Who is managing it?
- Where is it?
- What format is the data in?
- Is there a Data Management Plan?

Thank you so much!

Jeff Mosal
